

## The Weekly Whim | Block 14: A Whirl of Joy

Welcome to The Weekly Whim, a weekly quilt block series stitched one block at a time with scraps, stories, and a gentle focus on becoming.

Welcome to The Weekly Whim! Today's Block 14, A Whirl of Joy, is a bright and cheerful celebration of movement. Made from Flying Geese units, this block brings together color, contrast, and rotation in a way that feels both dynamic and harmonious.

Each unit works like a small current of motion, coming together to create a pinwheel-like spin across your quilt. We'll also continue our efforts, when possible, to join neighboring blocks together, in unique ways.

### My Standard Note

#### About Fabric Choices

In this series, I lean into building a scrappy quilt one block at a time. The more fabrics you use (within reason), the more variety you'll have to scatter across future blocks, which helps the finished quilt feel cohesive and "sensical." That said, using fewer fabrics is perfectly acceptable too—choose the balance that feels right for you.
