

The Weekly Whim 2 | A Skill-Building Journey

If You're Sewing Along With Your Own Choice of Fabrics - Here's How it Works:

Once you've decided on Wall, Lap, or Queen size -
the idea is to choose one palette size or the other.

**Afternoon Delight - 21-piece
(scrappier fabric range)**

**Sunday Morning Sunshine 14-piece
(limited fabric range)**

- Using the materials list provided for whichever palette size you choose, make note of which of your fabrics you want to use in which places in your quilt.
- Then use this personalized list as your guide going forward.
- Each week, you'll use your guide to gather your fabrics as specified for each set of blocks for each week.
