

Summertime Scrappy Season Episode 13: A Scrappy Spark Block

Cutting Instructions, For (1) Block:

Various Scraps:

(20) - 2 ½" squares

Background:

(4) - 4 ½" squares

(8) - 2 ½" squares

12" finished

Sometimes all it takes is a handful of scraps to spark an idea. A Scrappy Spark gathers little bits and pieces into a playful star that seems to tumble right out into the background. Mix up the colors, prints, and values, and don't fuss too much about what goes where. This is one of those blocks where a little bit of unpredictability is part of the fun, and every scrap gets a chance to shine.
