Block 1: Come Together

There's something special about beginnings - especially the kind where we each gather our scraps, our stories, and meet one another at the sewing table. This first block is built from simple parts: Flying Geese, Half-Square Triangles, and a wide open center, ready for whatever joy you bring to it. As we begin Patchwork Palooza, may it remind us: every quilt starts with coming together - one piece, one person, one stitch at a time.
